

The Mill Castlemaine

This site started life as a woollen mill in 1875, burnt down a couple of times and finally closed as a woollen mill in 2013 and now it's home to all manner of interesting businesses and tenants.

Feel free to wander around, though as this is an ex-industrial space and restoration and landscaping are ongoing, we do ask that you be careful where you put your feet.

In the interests of everyone's safety, please keep your dog on a lead.

Tenants keep their own opening hours. Please refer to our website for up to date information.
